Paperback, large format, full-color, 256 pages  
The Victoria & Albert Museum  
ISBN: 1-85177-262-6  
Our Price: \$35.00

So stunning you'll think you've been to the exhibition. This wonderfully designed, glossy and magnificent companion to the exhibition of the same name will give you the lowdown from top scholars on the Sikh kingdoms' paintings (royalty, romance and warriors), armaments, textiles, photography, and jewelry to die for. You can almost sit in the throne of Maharajah Ranjit Singh. It is a visual splendor, and last year it was the most sumptuous book ever produced for the Sikhs.
